FLEXIBLE

Service delivery is either online with in person services, in some locations.

SUPPORTIVE

Our services are safe, trauma-informed and support diversity

COMMUNITY CONNECTED

We partner with community organisations to help your clients and your teams with dispute resolution services.

WHY INTERACT SUPPORT?

Sometimes peace needs a helping hand. Our team of professional mediators provide even handed support to restore peace.

WHY TRY MEDIATION?

Mediation is an informal process that, in the majority of cases, results in the successful resolution of disputes.

Unlike going to court, mediation is low cost, fast, confidential and allows you to remain in control over what is an acceptable resolution.
